

# CH20M22 Selection-Tool

Housing Width:  
22.5 mm

## How to use the Selection Tool

### => Selection

You have two options to select all parts you need for a complete CH20M-Housing

=> Click the picture of the individual items to go directly to the article list

=> Click "Start" to go to the Base elements and start your selection

### => Navigation

To navigate to the other article-pages you can click the icons on the bottom or the navigation arrow in the headline.

### => Shopping-Basket

You have the opportunity to note your order-quantities for each article you choose.

These data will be recorded in the shopping basket (last page). You can print the shopping-basket for your reference.

=> Push the "Start Tool"-Button on this page to begin
